

Unit 6 | Handout _____

Microscope Parts Exploration

Purpose: To let you explore the different parts of the microscope and attempt to connect the names of the parts to the correct location.

Instructions: Send one person from your table (not your group) to get the large laminated microscope sheet and an envelope. Inside the envelope are labels for the parts. Do your best to guess which parts go where on the microscope. Use context clues to help you.

Do not fill in the diagram below until told to do so!
