

Unit 5 Handout \_\_\_\_\_

*Fossil Definitions*

**Purpose:** To turn our observations into definitions.

**Instructions:** Fill in **only the left side of the table** with a definition for each of the fossil types. To do this, look back at handout 96 and use your observations to create definitions for each fossil type.

My Definition	Class Definition
<i>Don't fill this one in.</i>	<b>Fossil:</b>
<b>Carbon Film:</b>	
<b>Trace Fossil:</b>	
<b>Original (preserved) Remains:</b>	
<b>Petrified Fossil:</b>	
<b>Mold and Cast fossil:</b>
