

Unit 5 Handout

*Fossils Reflection*

**Purpose:** To discuss as a class what we observed during the fossils activity.

**Key Points and Ideas**

**Questions for reflection**

1. What are the five types of fossils?
2. Under what conditions do most fossils form? (pg. 106-107)
3. What do fossils normally preserve? Why? (pg. 107)
4. What can we learn about organisms from fossils?
